

Nitro X EXCLUSIVE sponsor of Australian AARMCC 1/8th Buggy Series.

The AARCMCC off-road section head has concluded negotiations with Ozzie Traders Aust P/L, the leading manufacturer of Model Fuel in Australia and the Pacific to seek blanket sponsorship for all affiliated clubs wishing to hold an AARCMCC sanctioned 1/8th Nitro Buggy event in the Y2010. Negotiations to include the Y2011 season is ongoing.

We are please to announce that the Y2010 negotiations have been finalized. In doing so Ozzie Traders have contributed;

- a) a sum of money, A\$600 per event,
- b) committed to **\$600.00** towards the flight costs for the winner (the destination to be the choice of the sponsor and winning formula TBA) and
- c) promotional products and merchandise.

The commencement date and will be January Y2010 and be made available to the **clubs confirming their dates by latest end of January, 2010** for AARCMCC State and National Sanction 1/8th Nitro Buggy/Truggy events currently scheduled on the Y2010 racing calendar.

The sponsorship will mean that the current Australian point score series of State and National Title Events shall be called the “**Nitro X – AARCMCC, National Series**” or similar.

It is **an unconditional requirement** that all clubs wishing to host these events must abide by the conditions as mentioned on the following paged heading “AGREEMENT”. Only following adherence to these conditions will any sponsorship monies or AARCMCC worlds points recognition be provide to the host club or its participants.

The proposed sponsorship agreement is in five (4) parts;

- Cash Sponsorship (to be held in trust by AARCMCC); under instructions of the Nitro Category Section Head - a cheque of Au\$600.00 GST inclusive will be distributed to clubs that fulfill set event criteria. This cash donation is primarily to be used to offset cost associated with hire of timing equipment and or human resource. The objective is to ensure the correct and smooth running of all AARCMCC sanction events for all participants. NB: In the event that any host club fails in it's obligations under the sponsorship Terms and Conditions all sponsorship monies provided under this said agreement shall be returned in full to AARCMCC.
- Donation of Nitro-X merchandises and an Alpha Plus .21 7 Port racing engine at sanction events. shipping at no cost to the host club. **Host clubs to provide day time contact details and delivery address a minimum of 3 (three) weeks prior to event.**
- Ozzie Traders in it's commitment to enhance R/C competition will hand the 1/8 Buggy points winner a cheque as part payment towards an airline ticket- Ozzie Traders require a copy of the Flight Invoice as well as the boarding passes for the outbound as well as return legs to a major event in the Pacific Region – such as Malaysia or other at the choice of the sponsor. This part payment is capped at A\$600.00

*

NOTE Other sponsorship, including sponsor competitors, would be able to pay the club to display banners etc,at the discretion of the host club. Any exclusivity agreement or payment above the agreed amount with the series sponsor and host club is to be negotiated directly.
